1975-1976

**ANNUAL REPORT
OF THE
MUNICIPAL OFFICERS
OF THE TOWN OF**

GC
974.102
W732AR,
1976

Greetings for the Bicentennial Year 1976

**WINTERPORT
MAINE**

Bring this Report with you at Town Meeting

One Hundred and Thirteenth

ANNUAL REPORT

of the

MUNICIPAL OFFICERS

of the

Town of

WINTERPORT, MAINE

TOGETHER WITH WARRANT FOR TOWN MEETING

March 15, 1976

INCORPORATED MARCH 12, 1860

LETTER OF TRANSMITTAL

To the Selectmen and the Citizens of Winterport:

It is with pleasure this report of the municipal affairs of the Town of Winterport, for the fiscal year January 1, 1975 to December 31, 1975, is submitted.

The details, facts and figures, as well as complete audit report, relative to the administration of your town government are on file at the Town Office.

I would like to express my sincere thanks to the Board of Selectmen, office staff, members of the various Boards and Committees and the many individual citizens of our town for their cooperation and help during the year.

Respectfully submitted,

GARY L. LOWE
Town Manager

REPORT OF THE TOWN CLERK

The duties of the Town Clerk are many and varied. Each month we must submit several reports to the State, along with Fish and Wildlife licenses, dog licenses, births, deaths, and marriages.

Certified copies of births, deaths, and marriages are available at this office, even though a birth or death may have occurred in another town as long as Winterport was the place of residence, a copy is filed here.

If a resident decides he wants to go fishing on a weekend and forgot to buy his license and the Town Office is closed, he may obtain a 3-day fishing license anywhere that non-resident licenses are sold. He may exchange this at the Town Clerk's office for a resident fishing license by paying a fee of 50¢. This 3-day license can be exchanged for a fishing license only.

Duplicates of lost hunting and fishing licenses may be obtained at the Town Clerk's office.

Vital Statistics occurring within and out of town:

Total number of marriages	35
Total number of births	31
Total number of deaths	25

Dog Licenses Issued:

Male dogs	53
Spayed females	57
Females	8
Kennels	3

Beatrice L. Raymond
Town Clerk

WINTERPORT HEALTH COUNCIL REPORT

President	Emily Braley
Vice President	Irma Nelson
Secretary	Kathy White
Treasurer	Beatrice Raymond

The Winterport Health Council is a group of women who volunteer their time in helping the town support a Public Health Program.

Along with the usual Well-Baby and Immunization Clinics we had this year; we also had two clinics to test for Lead Poisoning. These clinics are entirely free of charge regardless of income. If you would like more information contact Eleanor Condon.

We also have sickroom equipment available to loan to any resident of Winterport. All we ask is that these items not to be taken out of town and that they be returned when you finish with them, so that someone else may use them. These are now kept at the Town Office and may be obtained on weekdays from 9 to 5 and on weekends by contacting Emily Braley or any other member.

We would like to extend many thanks to Dr. Wagner and Constance Allen, R.N. for helping us this year. Also many thanks to the members of the Health Council for giving their time.

We would also like to thank The Methodist Church for allowing us to hold our clinics in their vestry.

Respectfully submitted
Emily Braley
President
Winterport Health Council

FIRE DEPARTMENT

To the Citizens of Winterport:

This year of 1975 was a busy one for the Fire Department. A number of training courses to help improve our services were offered on a voluntary basis. They included Fire tactics, Pump and truck operation, Breathing apparatus, and Forest fire tactics. These classes were offered to the town, by the state, at no cost to the town. Also, we held many local drills of our own.

We replaced one tank truck with a larger, later model unit. The old tank needed many repairs.

The tower previously located at the airport was moved to the fire station and the siren from the old town hall was installed on it.

A flagpole and flag, donated by the fire department to the town, has also been erected at the new fire station.

The fire department furnished money from their special fund raising to provide decals and shoulder patches for the department vehicles and members. The patches and decals were designed by Mr. Bradley Libby. The department is very proud of a good job, well done.

We hope we have served the town well and will strive to improve our services by having more training sessions this year.

The members wish to thank all of the townspeople for their help and cooperation.

Fire Report for 1975:

The department had sixty-one (61) fires for this year.

Chimney - 18

Grass - 17

Dump - 4

Structure - 7

Car - 5

Misc. calls - 10

Respectfully submitted,

Creighton L. Parker
Fire Chief

**WINTERPORT
VOLUNTEER AMBULANCE SERVICE**

To the Citizens of Winterport:

We wish to report that our fourth year of operation has brought quite an increase in use of the service. In 1975 we answered some 90 calls and about 270 man hours were donated answering calls.

There are three women taking the United States Department of Transportation 81 hour emergency medical technician course at EMVTI and they will be joining the service upon completion of the course in the Spring. Anyone interested in joining the service will be more than welcome.

We would like to again bring it to your attention that the service is self-supporting and no tax dollars are raised for its operation. The only way we can continue to be self-supporting is through your purchase of subscriptions, and paying such bills as may be rendered for non-subscription services rendered.

We are proud of our ambulance service and hope that through your support you will show us that you are proud of it too.

RECREATION BOARD REPORT

To the Citizens of the Town of Winterport:

On behalf of the members of the Recreation Board, it gives me great pleasure to be able to present our second annual report.

The Board's major concern to date has been the development and construction of the Community Park site behind the Leroy H. Smith School, located on town property.

The construction of the site began in late August, after some preliminary work was accomplished and discussions between the Board and Selectmen were completed as to who would be hired to do the work. Because of the need for a lot of heavy equipment, it was decided that the contractor would be George S. Adams of Frankfort.

The anticipated completion date was somewhat delayed due to inclement weather and the encountering of numerous large boulders, but the work on the site of the park was completed to the extent which it could be, in late October.

It was not recommended by the Waldo County Extension Service to spread the loam or to seed the ball field areas due to the time of the year.

The only cost which occurred and was not anticipated in the present project was the laying of eighty feet of water pipe. The Board felt this was an investment for the town to avoid greater cost at a future time. This was done through the cooperation of Mr. Bud Truitt, by his allowing the town to connect onto his water main and running it under his road towards the park area.

Of the monies appropriated from the Federal Revenue Sharing Trust Fund by the citizens of Winterport, the amount of \$672.28 is left. A further accounting of the money spent can be found elsewhere in this book.

It is hoped, come spring, we will be able to have the loam and seed spread to complete the first phase of the park.

The Board would like to express their thanks to Alan Baldwin and Donald Nelson for their time and help on the project. Without their assistance and that of Mr. Adams the Board's task would have been a great deal more difficult to accomplish.

To complete phase one of the community park it will be necessary to have an estimated \$1500. This would be a little more than the amount spent on the water line.

Cont.

RECREATION BOARD REPORT (Cont.)

Projected cost for the development of the facilities at the Park site would be as follows and would not change until after April:

Tennis Court - 100' x 120', surfacing, fencing, poles and nets, all installed	\$10,623.97
Basketball Court - 50' x 84', surfacing, poles, backboards, rims and nets, all installed	2,212.09
Baseball and Softball/Little League Fields - 3 fields, backstops 10' x 20' x 10' with 6' hood installed	@ \$843.50 2,530.50

The Recreation Committee feels when the park site is completed, the Town of Winterport will have a facility that not only will be beneficial to all citizens of the community, but one that they can be proud of for years to come.

KNO-WAL-LIN COMMUNITY HEALTH SERVICES, INC.
11 Maple Street
Rockland, Maine 04841
594-9561

Ch., Bd. of Select.
Winterport, Me. 04496

Dear Sir:

I am sending you a summary of services provided by our agency in the year 1975. Kno-Wal-Lin Community Health, under our previous name of Mid-Coast Home Health, has provided 11,419 visits to persons living in Knox, Waldo, and Lincoln Counties. These consist of home visits by nurses and physical therapists. Waldo County received 2,659 of these visits, with 54 being to persons in your town.

These visits are reimbursed by Medicare to a total of 49% of our total budget. State funds covered 22% of these visits. A special grant from SEA-ME, under Central Senior Citizens Association, covered 20% of these visits, that were not eligible for federal or state funds. Persons paying their own bills, or covered by other third-party sources accounted for about 1% of the visits. Town funding covers the visits not covered by any other source, about 8%.

I am sure you are aware of the political overtones of Medicare and state reimbursement continuing at its present level. We are also aware that our SEA-ME grant covers to March 31st of this year with no assurance it will be continued. We may be in the position of asking the towns to pick up a loss of over 20% of our financial backing in order to maintain the level of service we have been providing.

We will continue to provide nursing and physical therapy services in the year 1976, to the extent funds are available. We will also be able to provide limited services in the areas of speech therapy, occupational therapy, and homemaker-home health aides.

Yours truly,

Wesley W. Nichols, Jr.
Administrative Director

WINTERPORT SEWERAGE DISTRICT

The District is still awaiting release of Federal funds for construction of the interceptor sewer and the sewage treatment plant. With the present schedule and the priority given the Town it appears that we can expect funding early in Feb. 77. This would mean that construction could possibly start next fall.

No attempt has been made to upgrade the existing sewer system. However it is planned to start a program of manhole installation this next year. At the present time there are no manholes in the system and so every time there is a stoppage the line must be dug up. With manholes at intervals periodic inspection and cleaning would eliminate many of the recurring stoppages we now have.

The Trustees meet on the third Monday of each month at the Town office at 8:30 pm. Residents are welcome at these meetings.

WINTERPORT WATER DISTRICT

No major system extensions were installed in the past year though the construction of several new homes did increase the number of families served.

The screens on our two primary wells became so clogged last spring that it was necessary to shift to the two standby wells until we could have the screens cleaned. This was accomplished in the fall with the help of the Maine Water Company, and now we are back to using our primary wells.

Determination of the lines of the District property has been a problem and we engaged the James W. Sewell Company of Old Town to survey the boundaries. This survey is nearly completed at this time.

Our water is presently meeting all State of Maine quality requirements, and we expect it to meet the new Federal standards when they go into effect, even though these standards will be more exacting than the present State standards.

Mr. Nelson Raymond has continued to serve as District Superintendant during the past year.

The Trustees meet on the third Monday of each month at the Town office at 7:30 pm. Residents are welcome at these meetings.

WINTERPORT BICENTENNIAL COMMITTEE REPORT

To the Citizens of the Town of Winterport:

On October 29, 1974 the Town Selectmen appointed the Winterport Women's Club as the official Winterport Bicentennial Committee. From within the club six members volunteered to act as a steering committee in order to facilitate the coordination of programs and activities.

In an effort to reach all the people the steering committee mailed invitations to all religious, civic and social organizations in Winterport. Twenty-six representatives responded. Later an additional invitation to participate in Bicentennial planning and programs was mailed to all local Postal Patrons.

Winterport was officially recognized by the Federal government as a Bicentennial community on May 20, 1975. Children from the L.H. Smith School attended the Bicentennial flag presentation; music was furnished by the school band. Mr. Gary Lowe, Town Manager, accepted the flag for the Town.

Markers have been placed at the entrance of the Village by the Winterport Historical Association. Materials used were paid for out of funds voted at the Town Meeting in March, 1975.

The Girl Scouts spearheaded a community wide roadside cleanup.

An L.H. Smith School essay and drawing contest PRIDE IN OUR TOWN was judged by members of the Bicentennial Committee.

An exhibition of reproductions of colonial crewel works was sponsored by the steering committee.

In October the Winterport Evening Extension put on a quilting bee demonstration.

The Sunrise Grange is currently working diligently on improving the physical appearance of their building.

The Library Association's book committee have plans to republish AN OLD RIVER TOWN.

Currently the Bicentennial committee is selling reproductions of Harriet Hill's composite of Winterport. Profits from these sales will be used for the restoration of the (Union Meeting House) Old Winterport Congregational Church. The protection and restoration of this historic building having been accepted as the Town's Bicentennial heritage and horizons projects.

Board of Selectmen
Winterport,
Me. 04496

Gentlemen:

In accordance with Volume 14, Title 30, Section 5253, Revised Statutes of 1964, an audit has been conducted of the financial records of the Town of Winterport for the fiscal year ended December 31, 1975.

The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other procedures as were considered necessary in the circumstances. The audit was on a basis consistent with that of the preceding year.

The financial and statistical sections, incorporated in this report, present the results of the Town's financial operations for the period indicated.

Respectfully submitted,

Earl E. Richardson
Public Accountant

EER:r

COMMENTS
TOWN OF WINTERPORT
For The Year Ended December 31, 1975

An audit of the financial records of the Town of Winterport has been completed for the year ended December 31, 1975. The results are incorporated in the following texts, exhibits and schedules.

ASSETS:

Cash consisted of \$36,787.11 demand deposits on deposit in the Merchants National Bank of Bangor and \$83,894.87 invested in the Bangor Savings Bank and certificate of deposit #2975 in the Merchants National Bank. Petty cash count was \$294.00.

The 1975 Tax Commitment amounted to \$248,526.91 with an overlay of \$6,034.32. Anticipated State Revenue Sharing funds of \$12,728.76 were used to reduce the assessment. Excise Tax receipts totaled \$51,525.85 an increase of \$13,485.30 over the previous year. The increase was caused principally by the change in registration to the new staggered expiration dates.

Federal Revenue Sharing funds of \$36,056.37 were received during the year and \$44,000.00 appropriated from the Revenue Sharing fund leaving a balance of \$30,938.39.

SURPLUS:

The unappropriated surplus has an increase of \$31,234.16 for the year. The major items contributing to the increase were the excise taxes not appropriated and the reimbursements from the State of Maine.

SCOPE:

Count of cash was made and reconciled with current recorded receipts. The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. External verifications were utilized, on a test basis, to determine the correctness of recorded assets.

An analysis was made of the treasurer's receipts and deposits as well as expenditures and bank charges. Vouchers, payrolls and cancelled checks supporting expenditures were checked for a selected period.

The records of the annual Town Meeting were reviewed and matters concerning finances were verified with the accounting records. Excise tax computations and collections were checked on a test basis. Bond coverage was examined.

Included in this report are exhibits and schedules pertaining to the financial status of the town. Audit procedures were followed to the extent deemed necessary to develop these statements.

It is believed, subject to the foregoing comments, that the accompanying statements and supporting information present fairly the financial position of the town at December 31, 1975 and the results of its operation for the year ended.

HELP PREVENT CRIME

Your CONSTABLES can function more effectively only when they have the ASSISTANCE and COOPERATION of those they serve. You will assist your constables in the protection of yourself, your family, your friends, your neighbors, and your property by reporting any unusual circumstances immediately to them.

Housebreakers can and will move in if they are certain you've left. Burglars spend their daylight hours canvassing neighborhoods looking for uncut lawns, unplowed yards and over stuffed mail boxes. They spend their spare evenings looking for darkened houses or lights that have been left on too long. You can help make your home more secure by following some simple rules.

YOUR HOME

(1) When you go out of town tell your neighbor and give him a key to your house and information where you can be reached.

(2) Suspend deliveries of newspapers, milk, ect. or arrange to have someone collect them for you.

(3) Be certain that all doors and windows are locked.

(4) Change locks if keys have been lost or stolen.

(5) Automatic timers that will turn lights on and off intermittently give your home a lived-in appearance.

(6) Keep a record of the serial numbers and description of your household possessions for identification.

(7) Install pin tumbler locks with dead bolts.

(8) Doors should have frames and hinges that cannot be pried off, and these should be checked periodically to determine that they are secure.

Keep doors locked when alone.
Never answer the door in night clothes or not fully clothed.

YOUR CAR

- (1) Remove key's and lock car always.
- (2) Lock valuables in the trunk.
- (3) Keep car doors locked while traveling or stalled in a suspicious area.
- (4) Do not leave valuables on seat or in sight.
- (5) Park in well-lit areas. Look around for loiterers before leaving your car at night.
- (6) Avoid picking up hitch-hikers.

WHAT TO DO

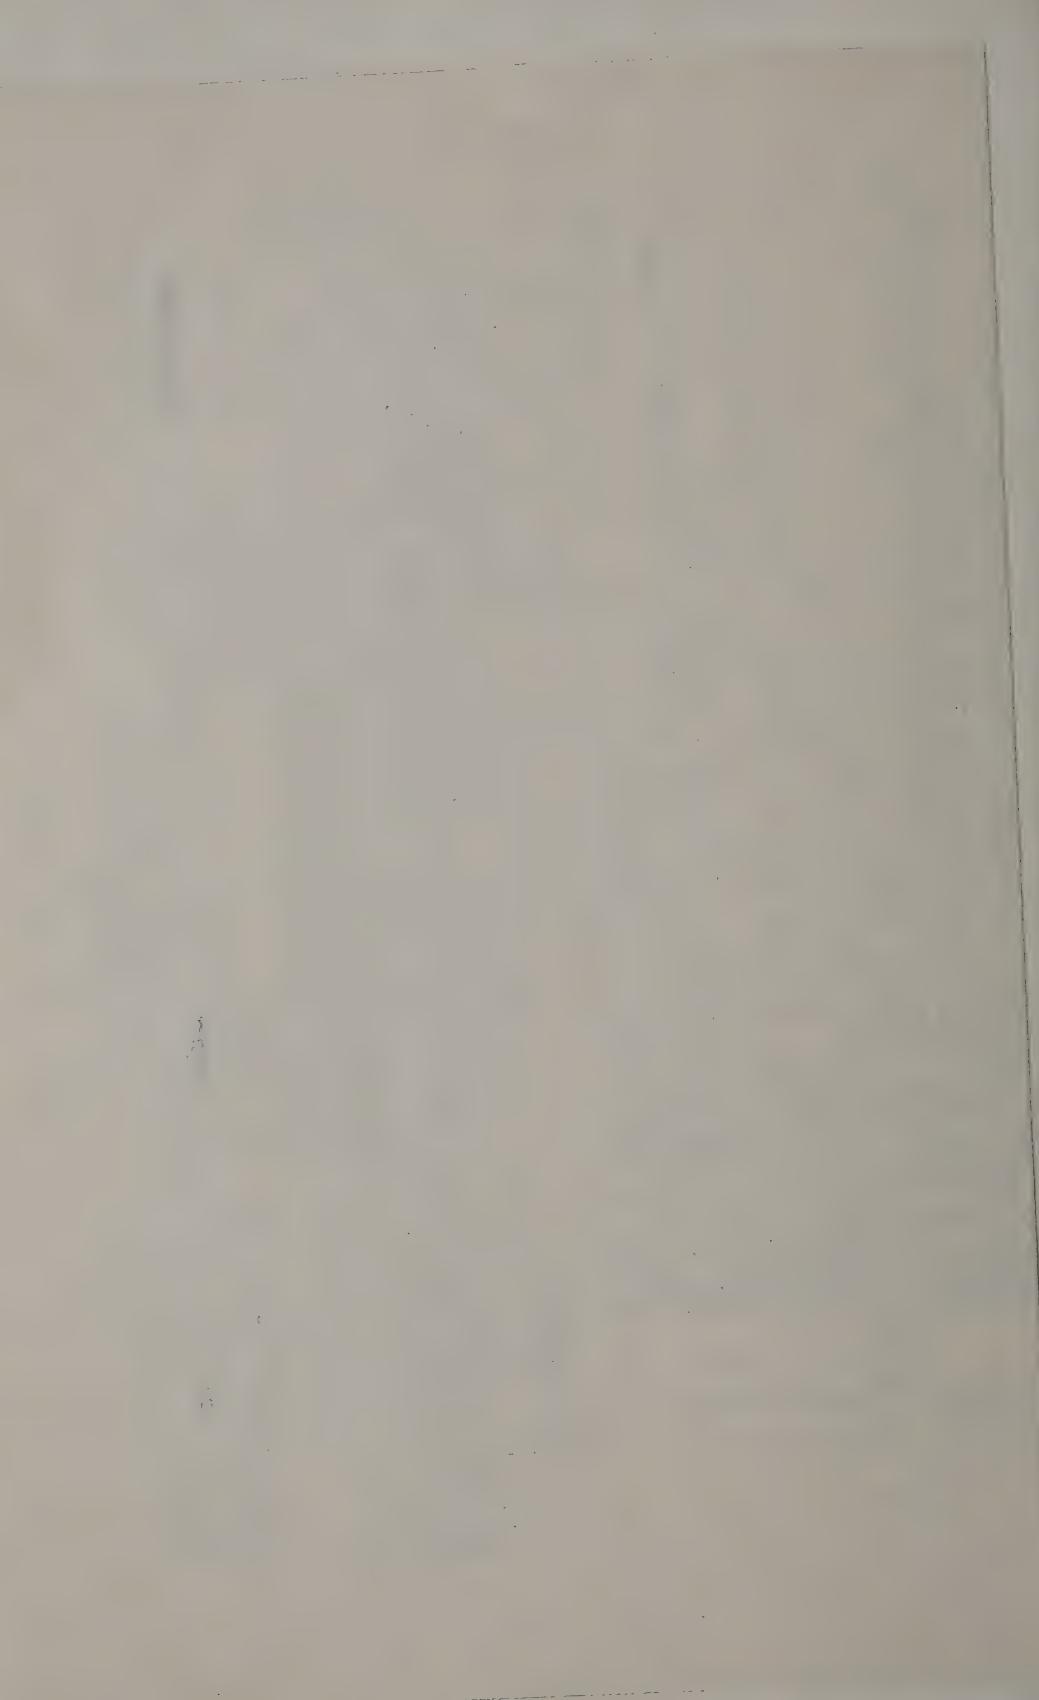

Report pertinent facts and circumstances which might indicate criminal activity to the constables. Report the following: Address of incident, description of suspect, description of car, description and plate number and any other suspicious details.
